AARMS CUMC Award

DESCRIPTION

This award is given to an exceptional undergraduate student from the Atlantic provinces to attend and participate in the Canadian Undergraduate Mathematics Conference (CUMC 2012). It is presented on behalf of the Atlantic Association for Research in the Mathematical Sciences (AARMS).

ELIGIBILITY

- Must be an undergraduate student studying at a post-secondary institution in one of the Atlantic Provinces (New Brunswick, Prince Edward Island, or Newfoundland and Labrador)
- Must be studying mathematics or a related discipline
- Must present a talk (20 min or 45 min) at the CUMC

CRITERIA

This award will be presented to a student who has been active in and engaged with the mathematical community throughout their time as an undergraduate student. This includes, but is not limited to, research in mathematics, mathematical education, and interacting with fellow members in the mathematical community.

VALUE

Two $1000 awards will be presented to two different students.

HOW TO APPLY

Applications should be submitted to cumc.2012@ubc.ca re: AARMS Award. Applications must be in PDF format. The application package must contain and is limited to the following documents that speak to the above criteria.

- A statement of qualifications and mathematical interests (no more than 250 words)
- A brief (100 word max.) summary of the talk that you plan on presenting during the CUMC.
- Require the applicant's name, address, the name of the post-secondary institution attended, year of study, program, and an email address to be included on the presentation summary document.

DEADLINE OF APPLICATION

Applications are due by April 15, 2012 by 11:59pm PST.

Successful applicants will be notified of their award no later than June 1, 2012.
